### Integrate Unity Ads into your mediation platform

1. Follow the instructions in the [Unity Ads Mediation Integration Guide](#). You might need to reference the following IDs:

#### Organization Core ID

33262078497911

#### Game ID

5641999

5641998

#### Monetization Stats API Key

[Create API Key](#)

2. Ensure that you use the latest version of **Unity Ads SDK** ([iOS](#) or [Android](#)) and **Adaptor** ([iOS](#) or [Android](#)). If you are using the **Unity Editor**, see [how to install the Unity SDK](#).

[Print the instructions](#)

[Finish](#)
